Graphic and Web Designer with more than five years experience creating innovative designs for companies in a wide range of fields. Adept at visual and digital design, web design, and front/back-end web development. Background in economics and design give a broad understanding of all business needs.

INDUSTRY EXPERIENCE

Head of Administration and Media,

Youth With a Mission - Cambodia/Thailand
March 2012 - December 2015

My role involved leading the administration and media team at a large NGO in Cambodia. I helped plan and implement a complete redesign of the media, financial, and administrative departments.

- Led the administration team responsible for the organisation's finances, facilities, media, and maintenance
- Created designs for digital and print media. Designed and maintained websites
- Created books, pamphlets, and postcards for fundraising campaigns
- Filmed, produced, edited, and distributed promotional videos
- Created motion graphics elements for promotional videos
- Sat on the organisation's leadership team and participated in brainstorming, problem solving, and implementing solutions in a variety of areas

FREELANCE EXPERIENCE

Freelance Graphic and Web Designer,

Self Employed
January 2010 - present

My role involves providing print, digital, and web design services for a variety of clients all over the world.

- Help clients to determine their needs, wants, and expectations in regards to project requirements and deliverables
- Provide expertise in how to use graphic and web design to reach business goals while following design best practices
- Create designs for digital and print media, create websites using HTML5 and CSS
- Projects have included: brochures, newsletters, pamphlets, postcards, posters, logos, icons, app designs, website designs, and brand packages
- Top Level designer on 99designs (www.99designs.com/profiles/jonenz)

Clients: Asurion, Southern Care Dental, Klauber Machine & Gear Co., Melton City Council
